

# Kitchen Design Package

\$1900<sup>+</sup> GST

## DESIGN PROCESS (approx 2 weeks)

### Project Summary

1

by client / dovetail design

- Provide Site Photos &/or video
- Provide general site dimensions and specific site conditions
- Provide kitchen requirements, (relating to function and style).

Our attached Project Summary Questionnaire will guide clients so that we can gather all the necessary information required to start the design process.

Dovetail Design can do an online consultation with the client, to run through the Project Summary Questionnaire to clarify all requirements before making a start on the design if appropriate.

### Concept Direction & Planning

2

by dovetail design

Dovetail Design will produce;

- A floor plan to establish a general layout and location of all appliances and features. NOTE: Appliances selection by client

- A mood board of imagery to define the proposed design style.

This package will be provided in pdf format and can be reviewed and discussed with the client via an online consultation.

Dovetail Design will summarise any feedback and outline any adjustments in an email to ensure the design is agreed before creating 3D visuals.

### 3D Visuals & Specifications

3

by dovetail design

- Dovetail Design will produce;
- 3D views (up to 2 views) in colour with general notes, dimensions and finishes codes.
  - A digital finishes board with finishes and supplier information
  - An updated floorplan

This package will be provided in pdf format and will provide sufficient information for pricing and completion of contractors shop drawings.

Dovetail Design can do an online consultation with the client to present this final package.

#### INCLUSIONS:

- Project Summary Questionnaire
- 3 x face-to-face online or phone consultations (if required)
- Proposed Floor Plan
- Mood board
- Coloured 3D views (up to 2)
- Finishes Schedule

#### Note:

This is based on a standard kitchen without a butlers pantry. Any additional requirements will be subject to a variation to this fee. If it is necessary, Dovetail Design can do a site visit, however this will be charged as a variation.
